Welcome Back

Dear Colt Families,

We hope this letter finds you safe and sound. Words cannot express how excited and grateful we were to see our Colts today! Teachers, Counselors, Assistant Principals and I are here for and ready to help support our students.

Each child has his/her own individual Harvey story and experience. Some of our students are ready for “business as usual” while others may require a longer amount of time to heal. In those situations, we have counselors on hand for any student needing more support.

The donations, volunteer efforts and support that were displayed the last couple of weeks from our Lomax community is incredibly heartwarming. Our school family is amazing!!!

We are here to serve our children in any way possible; please do not hesitate to reach out to us if there is anything we can help you with.

All my best,

Norma Penny, Principal
Carter Lomax Middle School
