Dear Colt Families,

We hope this email finds you safe. Please see below an update from the district. As a reminder, please continue to monitor the PISD webpage for return to school information.

PLEASE SHARE!

Pasadena ISD has not officially determined when school will resume as all campuses are being thoroughly evaluated and inspected for damages caused by Hurricane Harvey. Our goal is to ensure that all campuses are safe and ready for students.

Thompson Intermediate has sustained a tremendous amount of flood damage and will take longer to repair than other campuses. At this moment, a plan is being drafted to house both Thompson Intermediate and Beverly Hills Intermediate at the Beverly Hills Campus.

We ask that you please be patient as we continue to evaluate 67 campuses. Please stay tuned to our Social Media (Facebook, Twitter), Web Page (www1.pasadenaisd.org), district robocalls and local media outlets for updates.
