Enjoy your weekend, and we will see you all on Monday.

5th Grade Car Rider Change

The safety of our students and staff is top priority. Since our school is located on a well-traveled street, please follow the NEW safety guidelines listed below.

STARTING MONDAY, SEPTEMBER 18th, Ms. Alvarez's Homeroom and Ms. Jimenez's Homeroom students will be picked up in the 6th Grade Car Line. Our goal is to ensure student safety, equal the lines for after school pick-up and lessen the time parents/guardians are waiting.

Thank you so much for your help and support.

FREE Breakfast and Lunch for the Month OF September

To offer additional support for our students and their families, Pasadena ISD will provide free breakfast and lunch for all PISD students during the month of September.

Weekly Parent Connect

As all of you already know, we just returned from school after being out for two weeks due to natural disaster Hurricane Harvey. We know this has been difficult for some students. Therefore, over the past week students have been learning lessons from the counselors through our morning daily broadcast of how we can help ourselves and how we can take care of one another and our school family as we move forward this school year.

We understand that when something like this happens, it is hard to know where to start. Often the job ahead looks overwhelming, but as it is with any obstacle that is seemingly insurmountable, it's just like eating an elephant - one bite a time.

We know some of you may have been impacted because your homes or homes of friends and family have been flooded. You may currently be staying with family members or friends until your house is repaired. You may also be displaced temporarily because of the flood. We want to reassure you that we are here for you when or if you are in need of help.

If you or a family you know in our Carter Lomax Community has been impacted, please contact us at the school phone number 713-740-5230 or at the e-mail addresses listed below. We are strong and will get through this together.

We are happy that we have seen the majority of our students return back to campus this week and are safe and sound, ready to start anew here at Carter Lomax.
